HSBC

Be ready to pursue higher education abroad

Wherever, whenever, we're here to help

From preparing college funds, to choosing the right school, and making sure your loved ones can study abroad without worries. HSBC Premier will be by your side in helping you ensure a bright future for your family.

HSBC Premier Next Gen

Wash away those first day worries when your child first lands abroad or help them learn about investment through HSBC Premier Next Gen for children between the age 17 to 30 years old.

- Your child can get the same HSBC Premier status as their parent, at no additional cost.
- Ease of transaction after landing abroad with the HSBC Premier Debit card, available in 11 currencies, and withdraw cash at any HSBC ATM in the world, without additional administrative costs and foreign exchange rates.
- Enjoy HSBC Premier services at any HSBC branch around the world.

Premier Junior Account

Plan ahead for your children's future with Premier Junior Account for children up to the age of 17 years old.

- Child's account will be managed by parent's Relationship Manager.
- Teach your children the importance of financial management from their early years with a separate account under your control and supervision.

Fairer Tales

Equip your children with essential financial knowledge and skills at an early age with Fairer Tales. We've partnered with the award-winning children's author Emma Dodd for the retelling of several traditional fairy tales in Fairer Tales, featuring determined modern princesses working to achieve their financial goals themselves.
